## LBU Lighting

Since opening their first store in Fort Lauderdale in 1987, LBU Lighting has remained responsive to customers' needs with multiple showrooms that house an eclectic collection of modern and contemporary lighting fixtures and fans. Today the LBU Lighting Showroom Group consists of nine locations across South Florida, Orlando, Naples and the Treasure Coast. They pride themselves on their extensive training program, including attending lighting shows and seminars, to ensure that they stay on the cutting edge of new lighting technologies. LBU actively promotes energy efficient and Green products. For more information, visit [lbulighting.com](http://lbulighting.com).

Designer Marcela Villalobos from Concepto MV completed this project with LBU Lighting Designer Arpad Butka from the N. Miami Beach showroom.
